

REGIONAL EDITION

AUSTRALIA

Editorial. Winter Wonderland - Part 2

Dear Readers

Looking back at that incredible Winter with massive sub-zero temperature all over Switzerland, I just could not resist including another photo taken at the lakeshore of Geneva. Even if this is quite “funny” to look at, we should also remember the suffering across the border, especially in

Italy where they had unusually plentiful snow never experienced before in many parts of the country.

Back home in Australia, another “big wet” came our way with many regions badly flooded - again - in particular in New South Wales and Victoria. If you know anybody who is willing to share their story to our readers I am more than welcome to publish an article about it.

OSA. E-Voting & Bank Fees

E-voting is especially important for the Swiss abroad. Post delivered late, or to the wrong address, repeatedly prevents them from participating in elections and referenda. But there is also a strong interest in e-voting from within Switzerland, especially from the younger generation.

The Organisation of the Swiss Abroad has launched a petition calling for the introduction, as quickly as possible, of voting in elections and referenda via the Internet (e-voting and e-election).

Source: www.dailymail.co.uk

Iced in: People walk along the promenade on Lake Geneva, Switzerland, as a 4x4 stands completely covered by ice.

The petition addresses both the Federal Council and the competent cantonal authorities, as the cantons as well as the Federal Government are responsible for organizing elections and referenda. The petition will be presented to the Federal Council on 18th August 2012, on the occasion of the Congress of the Swiss Abroad.

Please support this petition. Visit: www.petition.aso.ch

Outrageous Swiss «Bank Fees» for expats living overseas is now spreading beyond the US and is a growing concern. The Organisation of the Swiss Abroad takes this situation very seriously and has already taken several steps to see what can be done about it. The advise right now, as many of these actions are probably dragging on for quite a while, is to make our voices heard.

So if you experienced anything along those lines, please let us know or post your comments on any of the community websites like swisscommunity.org. As a reminder, here are the contact details of our CSA (Council of Swiss Abroad) Delegates:

SAAN

Swiss Australian Academic Network
Christian Schneider: (02) 6162 8409
info@saan.id.au / www.saan.id.au

The SAAN Network has continuously grown and its membership now surpasses 500 academics. In February, SAAN co-organised the first Swiss Alumni Meeting at the University of Sydney. Prof Jan Carmeliet, ETH Zürich gave a lecture about "Sustainable Cities and Urban Energy Systems of the Future". Over 40 Alumni from the universities of St.Gallen, Zürich, Lausanne, Geneva, ETH Zürich and EPF Lausanne were attending the meeting. SAAN will continue to facilitate the build-up of Alumni networks of Swiss universities in Australia.

SAAN is now also increasing its presence in South Australia, where it co-organised a first event at the University of South Australia.

The University of Melbourne, lead by its Vice-Chancellor Glyn Davis visited ETH Zürich, the University of Basel and EPF Lausanne, seeking to establish

partnership with the respective universities.

In January, SAAN launched a survey into issues inhibiting bilateral research collaboration. The results were presented to the Swiss and Australian governments, who are discussing to jointly form a committee looking at improving the legal framework for research collaborations.

SAAN-facilitated negotiations between Swiss universities and the Australian Group of Eight universities for an agreement supporting the bilateral exchange of early career-researchers are being finalised.

Further events for 2012 are planned in all state capitals. Please visit the SAAN website or contact the SAAN Manager, Christian Schneider at the Swiss Embassy or write us an email.

Already we are in April of the New Year. I hope you all are having a good start to 2012.

After the Christmas holiday break the Swiss Club organised the Camping Weekend from the 3rd-5th February at the wonderful camping site at Port Elliot. It was ashamed you didn't make it this time and I hope to see you next year!

February 24th I had the opportunity to welcome Bernhard Furger, Deputy Consul General from Sydney and Honorary Consul Rene Pfister of to

I also thank the outgoing committee members for their efforts last year.

Dear members,

Activities in 2012 are well under way. The film evening 'Cool Runnings' in February was well attended, although I would have liked to see many more young members for this entertaining title. For the mountain weekend in March at Talbingo, we could not have had better weather. This was desperately welcomed after such a long, overcast and rainy spell in Canberra. The expedition into the depth of the Yarragobilly caves was unforgettable. I am just glad to report, that we brought back all the members safe and sound from the depth of those dark and mysterious, yet fascinating caves. Interest in the 'Burley Griffin Dinner Cruise' for April has been high. It promises to be a great social occasion with many long-time members participating in the event.

In April 2012 the new Ambassador of Switzerland will arrive in Australia. On behalf of the committee I wish to welcome Ambassador Stutz and his wife to Canberra. We wish him well and we look forward to meeting him and his wife in due course.

President: Walter Annen

www.swissozculture.org.au

SACA's new website is now online. A number of reasons made us taking this step. The most important was to give our creative members a joint platform to introduce themselves and their work and interests. We use the expressions "creative members" as culture encompasses the many fields of creative activity - not just the fine arts. Another reason was to achieve exposure for our members in the wider community. The website will also present another way to communicate information regarding cultural events with a Swiss connection organised by SACA and its members.

The registration for Swiss+Oz Art Expo 2012 is now closed. 22 artists working in different media will participate. Their works will make the exhibition at the Bondi Pavilion Gallery an attractive and interesting event. The exhibition will run from November 6 to November 18. Don't forget to pencil these dates in your diary.

We look forward to seeing you at Bondi Beach and your visit to our website.

February 19 was the yearly Jazz Picnic at Berry Island. We had unusual good weather with plenty of sunshine and pleasant music to enjoy the afternoon.

The Swiss Yodlers started their practice in January to be in top form for the Annual Harbour Cruise. The band created a good atmosphere and the excellent food made up for the shortcomings of the technical issues with the M.V. Proclaim. As usual, Sigi was on board delighting folks with his singing and "Zugerörgeli". Edwin und Paula Furrer regaled us with their singing. Edwin is a founding member of the Yodlers.

We proudly performed our new song "Seebärgsee", and the feedback from the audience was overwhelming.

I'd like to thank Ruth and her helpers for an excellent catering job; and importantly, a very big thank you to our generous sponsors.

Lastly, we are always short of singers; if you like fun company and some relaxed singing practice, join us. All you have to do is ring me.

The Club had to cancel the camping weekend planned for the end of January due to bad weather. But the Games Night held in mid February was again a success, with members and guests enjoying a game of scrabble, trivial pursuit and of course "jass". Dinner was a communal affair with everyone bringing a plate to share which resulted in a delicious buffet, including scrumptious desserts.

In addition to the National Day Celebrations and the Christmas by Candlelight dinner, the Committee is proposing a fondue/raclette night in June and a further event in October. Details will be posted on our website.

Our regular monthly "Ladies Lunch" on the first Friday of every month continues to be popular, with the ladies meeting at a different venue on the Sunshine Coast every month to catch up and have a chat. Details are placed on our website and sent out via direct email.

We invite all Swiss on the Sunshine Coast, their families and friends to join us for these fun events, to enjoy good company, keep in touch with old mates and make new friends.

Please ring Hanni if you like to have a chat and find out more, we are happy to help. We also welcome your enquiries and suggestions via email; you will get a prompt response.
